a)	Special Programme for BS-ERA Net PJC operated by ENEA	Energy and Environment	2011-2013
b)			
c)			

A. Applicants eligibility

A.1 Who can apply?

(e.g. types of institutions eligible for funding: Universities, R&D Institutes, SMEs, public/private etc.)

[Applicants to the program may be research teams of ENEA.](#)

[Other Italian legal entities can participate in the call, provided that they find the needed financial resources from outside.](#)

A .2 Conditions

As per Government Decision pursuant to art. 37 of Law no. 99 of July 23rd, 2009 ENEA is a governmental agency performing research activities and provides agency services in support to public administrations, public and private enterprises, and citizens.

To overcome the problem of the limited budget and to respond to the priorities of ENEA, the eligibility for funding of research teams of ENEA will be determined by the top level of ENEA on the basis of the importance of the research and the funding required.

B. Costs eligibility/budget limits

B.1 What type of costs are eligible (e.g. personnel costs, travel& subsistence, equipment, materials, organization of events etc)

Personnel costs, travel& subsistence, materials, small equipment, organization of events, overheads.

B.2 Conditions

100% funding for all kind of activities for eligible teams of ENEA.

C. Project Proposals Eligibility

C.1 Phases of R&D being funded: (basic research, applied research, innovation, , serial production etc), funding rates (app.)

Basic and applied research, innovation and technology transfer.

C.2 Conditions

The research activities under the BS.ERA-NET PJC which will be funded under the above mentioned programme fall exclusively under the theme:

Water pollution prevention options for coastal zones and tourist areas.

Research teams of ENEA can present proposals under the other thematic areas of the PCJ, but in this case they must auto-finance themselves.
